## REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

What a wonderful year of celebrations we have had at Burgess Elementary School! We won the coveted Palmetto's Finest Award and were named a South Carolina School of Character. We received Absolute and Improvement Ratings of Excellent on our school report card and were awarded the Palmetto Gold Award for Outstanding Student Academic Performance and the Palmetto Silver Award for Closing Achievement Gaps. Ron Satterley was selected as our Teacher of the Year. At Burgess Elementary we strive daily to move every student to higher levels of learning. With our use of DIBELS and MAP data, teacher observation, daily progress, student data folders and benchmark tests, we regularly progress monitored each child, set and charted goals, and celebrated individual and school successes. Our students experienced differentiated instruction in classroom workstations across curriculum areas and hands-on outdoor classroom experiences in our Rain, Habitat, and Art Gardens. We established a Community Garden and planted six raised vegetable beds in the fall and spring with funding from a Farm to School Grant and our partnership with Home Depot. We preserved our community's rich history and featured interactive activities and exhibits in the Burgess Elementary School Museum. Civic, personal, and social responsibilities are priorities at Burgess Elementary and were taught through classroom lessons, guidance activities, and a school-wide focus on leadership, lifeskills and lifelong guidelines. During November, we learned about our freedom as Americans through patriotic workstations and celebrated community veterans and active military with elementary and primary Veterans Day programs. We experienced different cultures on Diversity Day and showcased student projects at our Technology Fair. Each grade level participated in service learning opportunities, and we won Horry County Schools Service Learning Award at the elementary level. After school clubs encouraged creative interests and included Student Council, Drama Club, Art Club, Walking Club, Archery Club, Cooking Club, and Technology Club. The success of any school requires the support of an involved School Improvement Council, active PTO, faithful volunteers, and generous business partners. Our SIC led efforts to improve school grounds, decrease childhood obesity, enhance family involvement and increase fine arts opportunities and sponsored a Fit Fair and BEST Night. This year's PTO sponsored many events and raised funds to purchase additional equipment, supplies and materials. Volunteers included parents, grandparents, and community members who served as Rockin' Readers, mentors and tutors, chaperoned study trips, and worked during other school-wide activities. Our business partners supplied student and staff incentives and volunteered their time and talents. Our mission, in partnership with our community, is to provide a safe and nurturing learning habitat that develops lifelong leaders and learners as responsible members of society. Burgess Elementary School...simply the BEST!
